- Easy access to product specifications
- Get financial statements
- Request an RMA
- Check order status
- Request technical support
- Track orders through to delivery

## Are you an EPOS Software Provider?

If you are an Independent Software Vendor and are interested in developing your dealer network, we would like to hear from you.

We work with our ISV partners to provide plug & play POS solutions like Swoosh, which combine the hardware we distribute pre-configured with the relevant O.S and your software application.

**If you are interested in becoming one of our ISV partners, please contact Michelle Spencer on 01904 717450 for more information.**

Our ISV Partner's include:

## Cordless Scanners

# EPoS Distributor

Retail Computing & Data Capture Product Distribution

## Point Four Pearl System

Point Four is one of our ISV partners and they have developed an all-in-one till solution called Pearl System, which is ideally suited for any retail environment or any cash handling business that requires a cost-effective cash management solution, offering reliability, flexibility and functionality to any progressive business.

This solution provides a cost effective entry into scanning and cash management. Providing pricing accuracy, security levels, cash management control and reporting for department sales, VAT calculations and offers. The system also enables Multi-Buys, price levels, linked product & meal deal offers to be created.

- All-in-one till solution
- Easy to use
- Affordable price

If you would like to join the Point Four dealer network, please call Michelle Spencer to discuss. EPoS Distributor also partner with other Independent Software Vendors who have applications to suit most point-of-sale requirements.

Are you looking for EPoS software applications or interested in becoming one of our software partners? Please contact Michelle Spencer on **01904 717450**.

## WELCOME

Welcome to the 3rd issue of our Minicat brought to you by the EPoS Distributor team.

(above from left to right: Jayne Bishop, Sales Executive, Michelle Spencer, BDM and Sarah Esders, Marketing Executive)

Since we launched our last issue, we have seen many exciting new developments:

- We became UK Distributor for **Posiflex** all-in-one PoS terminals, customer displays, cash drawers, magnetic stripe readers, thermal receipt printers and touch screen monitors.
- We will be expanding our team by recruiting an additional sales executive.

We stock product demonstration units and offer deep discounts for evaluation terminals.

Call us today on
