About Posiflex

Posiflex Technology Inc. was founded in 1984 as a PC and PC peripherals design and manufacturing company, transferred to POS Industry in 1991, and have now evolved and grown to become a world leader in design and manufacturing of high quality and competitively priced POS Terminals and POS related peripherals.

- Turnover 70.5 million USD
- Headquarters based in New Taipei City, Taiwan
- Posiflex has 6 subsidiaries and 55+ distributors and service channels worldwide
- Products are manufactured in Taiwan out of 2 Posiflex factories

Onsite Posiflex Warranty from Equinox

All Posiflex hardware comes with a 3 year Return to Base Warranty.

www.equinox.co.uk

A 3 year onsite warranty cover is available from Equinox on selected Posiflex EPOS terminals, which protects against manufacturing component defects from the date of shipment.

The onsite warranty offers a next business day response, Monday - Friday 9am - 5.30pm (excluding bank holidays), for calls logged before 5pm the previous working day*. A Monday - Saturday next business day response option is available - call for more details.

Onsite warranty does not include faults relating to physical or accidental damage, such events will be classed as chargeable.

For pricing, please contact us on **01904 717450**.

*Support is available throughout UK Mainland only.

Green POS with Posiflex

Posiflex is a proud participant in the worldwide effort to provide green Point of Sale equipment.

Posiflex has pledged to protect the environment and has been carrying out a series of initiatives and research in manufacturing processes which include:

- Stop utilising hazardous substances and comply with RoHS and related laws
- The design of products for ease of disassembly and recycling
